I have also redeemed these lids online (see info below) YES NO

Lids mailed to the address on the Yoplait lid will not be credited to ZTA. All lids must be sent to IO to be counted for Yoplait. Final lid counts will be verified by Yoplait's fulfillment agency.

You may also submit lids online:

Go to <http://yoplait.com/save-lids-save-lives/redeem-lids-online>.

- Maximum input limit of 25 lids per day.
- In the PROMO code box, enter ZTA2011
- Enter your chapter's zip code—10 cents per lid goes to that affiliate.

VERY, VERY IMPORTANT!!

The online submission will count towards ZTA's total count, but NOT an individual chapter's lid count. If a chapter mails in its lids AND redeems them online, the lids will count twice towards ZTA's total contribution to the lid collection. HOWEVER, if the chapter only redeems its lids online, then they will count towards the overall ZTA total, but the chapter will not receive credit.

Lids must be RECEIVED by Dec. 15, 2011. Please include this form with each submission and send all lids to the following address:
